Instructions on how to access after hours care

After normal working hours of 7:30 AM through 5:30 PM Monday through Friday access to the clinic is only available through the parking garage at the 14th Street entrance. Please drive up to the gate, exit your vehicle and push the entrance button on the intercom box. If you have a cell phone with you please call the clinic upon arrival so you need not exit your vehicle. A COC Staff Member staff member will identify you and open the gate. Proceed, in your car, and park immediately to the right. Then locate the elevators to your left. Take the elevator and go to the Sixth floor, and turn right to Suite #611.

Starting January 27, 2009

Dr. Ezequiel Suarez
